	RED PROGRAM	RED PLUS PROGRAM
Motor - assisted and unassisted electric system AC induction electric motor and generator, charge reversing converter, electric, vehicle control device, power distribution device, converter (DC-DC) and electrical box. *Batteries not included.	✔	✔
Drivetrain unit (front and rear) Electric drive motor and generator voltage inverter, housings and all internal parts, front and rear axles, universal joints, differential drive gears and all lubricated internal parts, bearings, sprocket, yokes, transmission shafts and support bearings, transfer case support mounts, power distribution control module, DC-DC converter and junction box. (Battery not included).	✔	✔
Wheel Bearings and Homokinetic Joints Front and rear wheel bearings and homokinetic joints (axel cv joints) (in the event of major failure only).	✔	✔
Steering components Housing and all internal parts of electronic assist electric power steering motor, gear rack pinion, steering column, (main and intermediate shaft, inner and outer tie rods.(In the case of major breakage only).	✔	✔
Brakes system Regenerative braking system, electric mechanic system, electric brake caliper and pistons, backing plates.	✔	✔
Heating system Heating unit, thermal systems, heat pump system and water cooled condenser, automatic climate control module and controller, electric fan motor.	✔	✔
Electrical accessories systems Charging port, charging port door, front and rear windshield wiper motors, front and rear windshield washer pumps, heater fan motor.	✔	
Suspension components Automatic Smart Air Suspension, struts and valve blocks, air suspension compressor, air suspension reservoir tank, upper & lower ball joints, upper & lower control arms & their bushings, steering knuckles.	✔	
Air conditioning system Compressor, condenser, evaporator, expansion valve, the following parts are covered when necessary for the repair or replacement of a qualifying part above: thermostatic expansion valve, dryer reservoir, oils and coolants (for manufacturer's original parts).	✔	
High tech electronic components and more Electronic control module, automatic temperature control unit, dashboard display programming, main dashboard instrument cluster digital display, keyless entry system, door handles, automatic door lock actuators and falcon doors motor, power folding mirror and switches (excluding transmitters and receivers for remote locking of power sliding doors and rear hatches), anti-lock braking system (ABS) pressure regulator and pump, audio system, navigation system (GPS), speakers, back-up camera, parking sensors, collision sensors, blind spot sensors, MCU (touch screen and all related parts), Traffic autopilot cruise control systems and module, surround cameras, ultrasonic sensors and radar, power rear hatches motor, power window motors and switches, power seat motors and switches, sunroof motors and switches excluding weather seals, internal electronic parts of the drive motors gearbox and or transfer case (AWD), all of the above parts must be original from the manufacturer.	✔	
Loyalty program If the vehicle is declared a total loss during the term of the mechanical warranty, a credit will be issued applicable to the purchase of a warranty on the next vehicle.	✔	✔
